## What's Happening at Cork & Brew

Welcome to Cork & Brew's 4th news-  
letter! Cork & Brew officially opened  
September 13, 2011.

We are located at 35 N.  
Main St, Southington,  
CT. Our hours are  
Monday, Tuesday & Fri  
day 11am-6pm, Thurs-  
day 12noon-7pm &  
Saturday 9am-4pm.

Free beer & wine making  
classes are given on Saturday's at  
10am & 1pm. No need to sign up in  
advance, but please be on time.

Our website is very informative &  
changes all the time so make sure you  
visit often. Don't forget to visit our  
Calendar of Events page for new &  
exciting happenings at Cork & Brew.

A lot of new people have signed up for  
the newsletter so I think a quick expla-  
nation of what we are all about is  
probably a good idea.

Cork & Brew is the 1st & only place in  
CT where you can make your own  
beer or wine with us. The process is  
easy, inexpensive and fun. First, call

Cork & Brew and set up an appoint-  
ment to make your beer or wine. At

your ap-  
pointment,  
which will  
last about  
20 minutes,  
you will  
pick out  
the beer or  
wine of

your choice, mix the ingredients and  
add the yeast (which starts the fermen-  
tation process.)

The rest is taken care of for you. You  
will be contacted to come back to bottle  
your beer or wine. You are involved  
with the bottling process from start to  
finish. From sanitizing the bottles,  
bottling the wine to corking & labeling.  
You are welcome to have friends &  
family join you and even bring some  
cheese & crackers.

Bottling of beer is 3-4 weeks from your  
first appointment and wine is 8-10  
weeks depending on the wine you  
chose. For around \$5-\$7/bottle you  
get 30 bottles of wine and \$1-\$2/

bottle for 2 1/2 cases of beer.

Before you come back to bottle you pick  
out your own custom beer or wine label.  
We have many to choose from including  
holiday, wedding, everyday & fun labels.

Cork & Brew has all the equipment for  
the homebrewer or "want to be" home-  
brewer as well.

Beer or wine making parties have be-  
come very popular. Check out our web-  
site for more details,  
[www.corkandbrew.com](http://www.corkandbrew.com).

Always feel free to call us at the store  
for any reason, 860-863-5655 or at  
[info@corkandbrew.com](mailto:info@corkandbrew.com).

## Soda Stream

At the end of October 2011 Cork & Brew will be offering Soda Stream products.

Cork & Brew will carry a variety of Soda Stream carbonated canisters & soda flavors.

Soda Stream is the world's largest manufacturer & distributor of Home Carbonation Systems for soda & carbonated water. The advantages of Soda Stream's Home Carbonation System include:

**Convenience:** No need to carry heavy bottles from the store. The Soda Stream system is simple to use and requires no batteries or electricity.

**Environmentally-Friendly:** Soda Stream is an "Active Green" solution that minimizes the huge eco-footprint caused by the manufacture, transport and waste of plastic bottles.

**Variety:** Soda Stream offers many flavors to suit everyone's taste. Regular, diet, natural, fruity flavors, tonic and many more.

**Space Saver:** No need to store bottles of beverages or empty bottles for recycling in your home.

**Value for Money:** Great savings compared to pre-packed carbonated water and beverages.
